

SAINT VALENTINE'S DAY: 10 DESIGNS CELEBRATING LOVE IN ALL ITS SHAPES

Today, 'Love is in the air,' as John Paul Young sang. We wish a Happy Saint Valentine's Day to all design lovers.

Design – Happy Saint Valentine's Day! Our passionate design contributor **Antonella Galimberti** has selected twelve design projects focusing on LOVE as a fundamental source of inspiration. Enjoy!

Rail – Photo by Davide Groppi.

Rail is the wall lamp by the eclectic poet of light **Davide Groppi**. Toy train railways and light geometries invite you to dream about imaginary journeys. Like an arrow, they hit the heart, split it in two, and bring light to the room.
