ORIGINE

#### ORIGINE

*Design by Davide Groppi and Giorgio Rava, 2020*

ORIGINE, from the Latin "origo", start, birth, source. It appears like a bud emerging from the ground and soaring upwards towards the sky, a stem that becomes increasingly thinner.

ORIGINE tells the story of the man's eternal thrust with respect to the universe, a stretched-out light that explores the infinite. Mysterious, enigmatic but comfortable, it combines the fascination of the unknown with the pleasure of a sophisticated and elegant ambient light.

Designed to illuminate the façades of private buildings (outdoor version) as well as internal spaces (indoor version) with purity and personality, ORIGINE sculpts and enhances every environment with its indirect light, which is intentionally non-invasive, graphic and fascinating.
