Sampei 10th Anniversary

Sampei / Design Enzo Calabrese and Davide Groppi, 2011

Sampei è un progetto speciale, un autentico "ready-made".

Ricavata da una canna da pesca, flessibile e telescopica, è un segno delicato ed elegante, che fa pensare a effimeri rami di salice, a canne di bambù mosse da un debole vento.

Sampei è un regalo inaspettato, è la magia di guardare in alto, usando la luce come amo, e stupirsi di tanta leggerezza.

Una piccola testa, in cima a un lungo e sottile stelo in fibra di carbonio, che al più lieve spostamento risponde con un minimo movimento ondeggiante, trasmettendo un ritmo di lenta attesa.

Fin dall'antichità la pesca è una metafora potente, che fa pensare a una ricerca continua e paziente, a una curiosità destinata a non placarsi.

Sampei is a special project, an authentic "ready-made".

Obtained from a fishing rod, flexible and telescopic, it is a delicate and elegant sign, which brings to mind the subtle branches of a willow tree or bamboo canes floating on a light breeze.

Sampei is an unexpected gift, it is the magic of looking up, using light as a hook, and being amazed by so much weightlessness.

A small head atop a long, thin carbon fiber stem. At the slightest shift, it responds with a slight swaying motion, instilling a rhythm of slow waiting.

Since antiquity, fishing has been a powerful metaphor, which suggests a continuous and patient research, a curiosity that cannot be quenched.

Sampei / 10th Anniversary

Nel 2011 **Sampei** irruppe con il fascino di un oggetto magico, imponendosi da subito, come icona del design internazionale.

In questi dieci anni abbiamo imparato a guardare Sampei con occhi sempre diversi, scoprendo, ogni volta, aspetti inediti: lampadario da terra, segno grafico, filo d'erba, ideogramma, ...

In 2011 **Sampei** burst with the charm of a magical object, immediately establishing itself as an icon of international design.

In these ten years we have learned to look at **Sampei** with different eyes, discovering, each time, new aspects: floor chandelier, graphic sign, blade of grass, ideogram, ...
