Origine by Davide Groppi

From the Latin “origo”, start, birth, source, **Origine** appears like a bud emerging from the ground and soaring upwards towards the sky, with a stem that becomes increasingly thinner. It tells the story of the man’s eternal thrust with respect to the universe, a stretched-out light that explores the infinite. Mysterious, enigmatic but comfortable, it combines the fascination of the unknown with the pleasure of a sophisticated and elegant ambient light.

Designed to illuminate the façades of private buildings (**outdoor** version) as well as internal spaces (**indoor** version) with purity and personality, Origine sculpts and enhances every environment with its indirect light, which is intentionally non-invasive, graphic and fascinating.
