LIGHTING FOCUS

EDITED BY
JILL ENWISTLE

1 OPINION PIECE

Jonathan Rush, director of lighting at engineering consultancy Hoare Lea, argues that we need a greater understanding of lighting's relationship with the human body and mind / p054

2 INVISIBLE LIGHT

The recently opened Mandarin Oriental in London's Mayfair exemplifies the current trend for customised, sculptural luminaires and installations / p058

3 SCULPTURAL STATEMENTS

From retro to romantic, and from organic to geometric, the latest statement luminaires reflect the many different directions currently pursued by lighting companies and designers / p062
