

A rigorous project in its design.

A dialogue between two essential, concrete and tangible materials: wood and glass.

Part frosted and part transparent, it moves feely on the base,

functioning both as diffuser and convex lens.

Un progetto dalle linee rigorose.

Un dialogo tra due materiali primari, concreti e tangibili: il legno e il vetro.

Satinata e in parte trasparente, si muove liberamente sulla base,

diventando a volte diffusore, a volte lente convessa.
