

## EDISON'S NIGHTMARE

Harry Thaler / 2014

A gestural project, full of irony and nostalgia.  
Therefore, among a thousand stories, prohibitions, absurd technical rules,  
we have reached the end. The end of the incandescent bulb.  
Edison's Nightmare is a salute to Edison's light bulb\*, a dream that changed the way  
we live forever, stealing time to read and write from sleep.  
It is a classic light bulb, nailed to the wall. Like a work of art.  
*\* From 01 September 2012, incandescent bulbs cannot be sold in the EU.*
