

Wall or ceiling luminaire with direct light for indoor use.

The idea is to take direct light where it is needed using a normal electric cable.
A simple project, almost a revival of the old electrical wiring.

The rose is in textured matt black or matt white painted steel.
The spotlight is in textured matt black or matt white painted aluminium and steel.
Connects max 20 lamps.

It requires an GU10 LED bulb, which is not included.
The electric cable is matt white or matt black and is 78.74" long.
