

Floor luminaire with direct light for outdoor use.

A small luminous elf that you can install in your garden or inside a vase. For illuminating a flower, a plant or simply to accompany us along a path.

The stem is in AISI 316L stainless steel.
The spotlight is in matt black anodised aluminium and is adjustable in all directions.
Each stem can host one or two spotlights.
An additional spotlight can be purchased separately.
It is fixed in the ground with a stake.

The light source is LED with integrated module.
The electric cable is matt black and 196.85" long.
The driver is not included but is available as an accessory.
