

Floor or table luminaire with direct light for indoor use.

Light that stays by your side. A tilting stem supports a small, adjustable spotlight that precisely directs the light. An object that can be moved naturally, becoming a floor or table lamp.

The base is in textured matt black painted steel. The stem is in sanded or natural sanded matt black anodised aluminium and can be tilted along the vertical axis. The joint on the base is in sanded matt black anodised aluminium. The spotlight is in sanded matt black anodised aluminium and is adjustable in all directions.

The light source is LED with integrated module. The electric cable is matt black. The switch / dimmer is fitted on the cable. The power supply is plug-in and is included.

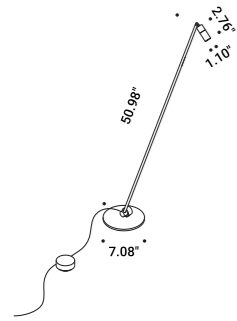

Finish

.04 Matt Black

.44 Natural Aluminium
