OneOff

Floor luminaire with indirect light for indoor use.

The starting point?
A luminous mark that appears and defines the space.
A mobile lamp that evokes the suspension between light and shadow.
A special optical system creates a perfect circle of light on the ceiling.

The body is in textured matt black painted steel.
The luminaire is adjustable in all directions.
Nine filters are included to change the colour temperature.
Three coloured filter accessories (red, yellow and blue) are available.

The light source is LED with integrated module.
The electric cable is matt black.
The switch / dimmer is fitted on the cable.
The power supply is plug-in and is not included but is available as an accessory.

Finish

.27 Gravity Black

Custom finish available on request.
