Suspension luminaire with direct light for indoor use.

taO is a suspended black body, free to exist wherever you wish.
Challenging gravity, it seems to float, deconstructing the visual balance of its weight.
The thin power cable becomes a graphic feature that crosses space lightly, an instrument that becomes an idea.

The roses available are in textured matt black or matt white painted steel.
The spotlight is in textured matt black painted aluminium.
The suspension cable is in AISI 304 stainless steel.
A range of light control accessories is available.

The light source is LED with integrated module.
The electric cable is coaxial and matt black.
A range of roses and power supplies are available.

Finish

.04 Matt Black

Custom finish available on request.
