

Light runs on a wire. An almost imperceptible wire, suspended in space. Like a tightrope walker on a thin rope, the light reaches everywhere, weightless and wonderful. Ohm is an electro mechanic project that takes maximum advantage of the characteristics of luminous diodes. Its secret is a special unipolar wire stretched from wall to wall. Where the light comes from is discreetly hidden, giving all the attention to what it is illuminating.

It is possible to replace the light source even with the luminaire assembled. It can be powered with pur Endless system.

Selection for ADI Design Index 2020

La luce corre sul filo. Un filo quasi impercettibile, sospeso nello spazio. Come un funambolo su una corda sottilissima, la luce arriva ovunque, con leggerezza ed emozione.

Ohm è un progetto elettromeccanico, che sfrutta al massimo le caratteristiche dei diodi luminosi. Il segreto è uno speciale cavo unipolare tirato da parete a parete. La fonte quasi si nasconde, impalpabile e discreta, regalando la scena al soggetto illuminato.

È possibile sostituire l'ottica anche ad apparecchio montato.

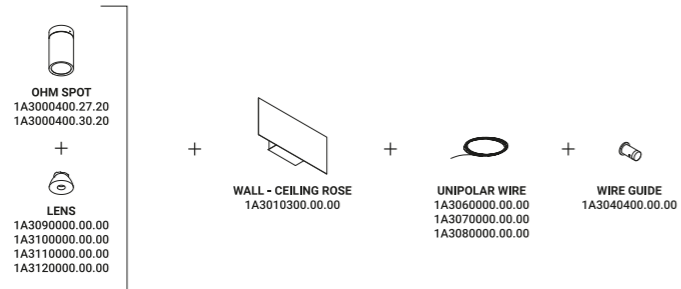

Può essere alimentata con il nostro sistema Endless.

Remote driver version

Wall and ceiling rose version

Suspension version

Systems / Direct / Indoor

Material Metal - PA
Finish .04 Matt Black

Note Special single-pole cable running between two walls and ceiling - Max 4 Spot on unipolar wire.

Speciale cavo unipolare tirato da parete a parete o a soffitto - Max 4 Spot su cavo unipolare.

OHM SPOT

3,2W
Max 350mA DC
2700K / 3000K
CRI 95
Driver not included
CE IP20

Matt Black - 2700K
Matt Black - 3000K
