ORIGINE

ORIGINE kommt vom lateinischen Wort „origo“ und bedeutet Beginn, Geburt, Quelle.

Es beschwört einen Keim, der aus dem Boden herauskommt und sich in Richtung Himmel emporragt, wobei dessen Stängel immer dünner wird.

ORIGINE erzählt von der unendlichen Schubkraft des Menschen hin zum Universum, ein Licht, das die Unendlichkeit erforschen möchte.

Mysteriös, rätselhaft und zugleich angenehm vereint es die Faszination des Unbekannten mit dem wohligen Gefühl eines Lichts für ein anspruchsvolles und elegantes Ambiente.

Die Idee dahinter ist, Fassaden von Privatgebäuden (Version für den Außenbereich), aber auch Innenräume (Version für den Innenbereich) mit Klarheit und Persönlichkeit zu beleuchten.

ORIGINE verschönert und unterstreicht jedes Ambiente mit seinem indirekten Licht, gewollt nicht invasiv, jedoch grafisch faszinierend.

Design Davide Groppi and Giorgio Rava, 2020

ORIGINE, from the Latin “origo”, start, birth, source.

It appears like a bud emerging from the ground and soaring upwards towards the sky, a stem that becomes increasingly thinner.

ORIGINE tells the story of the man’s eternal thrust with respect to the universe, a stretched-out light that explores the infinite.

Mysterious, enigmatic but comfortable, it combines the fascination of the unknown with the pleasure of a sophisticated and elegant ambient light.

Designed to illuminate the façades of private buildings (outdoor version) as well as internal spaces (indoor version) with purity and personality, ORIGINE sculpts and enhances every environment with its indirect light, which is intentionally non-invasive, graphic and fascinating.
